IconLift®

The design homelift

AREALIFTING
THE VERTICAL MOBILITY MANUFACTURER

No structural work required

Say goodbye to construction work in your home - just place it on the floor and enjoy your own personal lift, with either manual or automatic landing doors.

5-year warranty

- The only one in Italy to offer such an extended warranty as standard.
- Peace of mind, with the certainty of having a safe and reliable product in your home, built to last.

No machine room required

You won't need to sacrifice any space for a machine room in your home — the entire system is built into the home lift shaft!

IconLift®

The home lift that becomes interior design

Elegant design, sustainability and comfort are the key features that make **IconLift®** truly one of a kind — smarter and more eco-friendly than ever. It enhances any space it's placed in, becoming a design element capable of optimizing layout and improving life quality.

IconLift®

Silent

Thanks to our "Silent Pack" system, using or having **IconLift®** in your home is now even more comfortable - nothing will disturb your peace of mind.

Maximum safety and reliability

Thanks to the integrated remote monitoring system 'Sentinel', we can constantly check that your homelift is always running at peak efficiency. This means no unexpected breakdowns and faster, simpler, and more cost-effective maintenance.

IconLift®
